

Worksheet 7.3: A Trip to the Polling Station

Encourage your parents/guardians to vote and accompany them to the polling station. Take this worksheet with you and fill in answers to each question.

1. Describe the physical area of the polling station. What type of building is it?
2. Does the arrangement of the polling station look similar to the set-up for Student Vote Day at your school? Why or why not?
3. Ask two of the people working at the polling station about their responsibilities.
 - i)
 - ii)
4. Ask someone, or observe and write down, the steps a person must take at the polling station to cast a ballot.
5. Do you feel like you have a good understanding of the voting process? What questions do you still have? How could you find answers to them?
