

Levels of Government – Video Assignment

Watch the “[Levels of Government](#)” video and respond to the questions below.

1. What are the main **levels of government** in Canada?

--

2. For each level of government, list three **areas of responsibility**.

3. What is the role of **elected representatives**?

--

4. For each level of government, write down the title given to the elected representative.

5. For each level of government, write down the title given to the leader of the government.

6. Identify the elected representatives and leaders for each level of government. Find a photo for politicians and add a label for their name and title on the next page.
