

ACTIVITY 5.1: Researching Political Parties

Use this sheet to guide your research into your assigned political party.

MY POLITICAL PARTY: _____

GUIDING QUESTIONS:

Research the following information with your group using political party websites, campaign ads, and social media channels.

- What is the party's main slogan and/or key messages?
- Who is the party leader?
- Who is the local candidate?
- What are the party's major ideas and promised actions if elected?
- What is the party's vision for the future of British Columbia?

Using the information collected, create a presentation and promotional materials about your political party.

SUGGESTED ELEMENTS:

- Party logo
- One main slogan or message
- Three social media posts that represent the party's priorities or vision for the province
- One image of the party leader
- One image of the local candidate
- Summary of three major ideas or proposed actions
- Analysis about who will be impacted by the three major ideas
- One item to distribute to each student in the class that shares information about the party
