

## GRAPHIC ORGANIZER 5.4: Analyzing the Campaign Promises

Pick one issue and analyze the parties' policies and promises related to the issue. Afterwards, analyze which party's position you agree with most.

<b>PARTIES:</b>	What are the party's promises related to the issue?	Who are the main beneficiaries of the policies?	Do the policies have long-term benefit or are they short-term solutions? Explain.	Which party's position do you agree most with and why?
