

ACTIVITY 5.4: By-law Analysis

By-laws are the primary legislative instrument of municipalities. Municipal councils make decisions by adopting or amending recommendations from its committees and government officials. Visit your municipality's website and find a recent by-law. Analyze the by-law by responding to the questions below.

BY-LAW INFORMATION: Number, subject, date	
DETAILS: What are the details of the by-law?	
CONDITIONS: What are the underlying conditions?	
OBJECTIVES: What are the goals and objectives?	
RESULTS: How can progress or changes in behaviour be evaluated?	
ANALYSIS: Do you think the by-law will be effective? Why or why not?
