

A Trip to the Voting Place

Encourage your parents/guardians to vote and go with them to the voting place. Take this worksheet with you and fill in answers to each question.

1. Describe the physical area of the voting place. What type of building is it?
2. Does the arrangement of the voting place look similar to the set-up for Student Vote Day at your school? Why or why not?
3. Ask two of the people working at the voting place about their responsibilities.
 - i)
 - ii)
4. Ask someone, or observe and write down, the steps a person must take at the voting place to cast a ballot.
5. Do you feel like you have a good understanding of the voting process? What questions do you still have? How could you find answers to them?
